The **EASIEST**
QMS software
to operate.

Top 5 reasons to choose SOLABS QM

Top 5 reasons SOLABS QM is the easiest QMS software to operate.

- ④ Telecommuting / Remote Work Friendly:
Documents, Processes & Trainings accessible from anywhere, at anytime. No need to search from office to office, from desk to desk. No desk even needed!!!

- ④ **“WYSIWYN: What you See is What you Need”**
You only see what you need to fill out in forms. Access to documents and forms can be restricted.

- ④ **“Return to Initiator”** in one simple click of your mouse! Get changes done on forms by the concerned person instead of having to do it yourself (JBPM- real business process engine)

- ④ Easy delegation of tasks; vacations, absences, etc.

- ④ 100% web-based, no installation on your pc. Simple server-end installation. All data residing in MS SQL server databases.
